1 A "*" following a place name indicates that the place is coextensive with a MCD. A "++" indicates that the place is also a false MCD. In both cases, the MCD should be used to determine the correct offset from the place name.

2 A "+" following a VID code indicates an actual voting district. Its absence indicates that the VID is a pseudo voting district or no information is available as to its nature.

3 A "-" following a block number indicates that the block number is repeated elsewhere in the block.
